

Membership Application

Firefighters For Christ membership is available to all active or retired members of paid or volunteer fire departments, who support the objectives and purposes for which FFC was organized. Associate memberships are also available to all who are interested in and support the objectives and purposes of FFC.

Firefighters For Christ members participate in regular events for fellowship and encouragement. Members can also serve through their local chapters to provide prayer, support, and counseling to firefighters and the public. Members also have access to Firefighters For Christ resources like New Testaments, Newsletters, CDs, and FFC Apparel.

Members can select how and when they would like to receive information from Firefighters For Christ. Personnel information will never be used/given/sold outside of Firefighters For Christ International. Changes to membership status can be requested by e-mailing Membership@FirefightersForChrist.org
